**SPECIALLY PREPARED ITINERARY FOR 3N DUBAI 1N ABUDHABI**

The Emirate of Dubai is the second largest of the seven United Arab Emirates but has the biggest population at over 2.1 million inhabitants. Size has been synonymous with Dubai as it continues to build the first, largest and the biggest constructions in the world. Dubai's dynamics are always transient and ever-changing with its constant urge to construct something better and bigger than the previous. If there was a Palm Island, Nakheel thought of the World Island. Burj Al Arab seemed too timid when Burj Khalifa cropped up, distancing itself to being a loner in the crowd.

### **Atlantis The Palm Ocean**

A unique opportunity awaits you at Atlantis, The Palm, and Dubai. Be part of a multicultural, talented team consisting of over 40 different nationalities to deliver a guest experience like no other. Atlantis, The Palm, Dubai is a magnificent, oceanic tribute to a mythological age. A vast waterscape, Atlantis is a place of sunken aquatic chambers, submerged ruins, and exhilarating water rides, where shark experiences thrill and dolphin encounters leave lifelong impressions. Work in a world where we strive to provide perfect service to our guests. We are defined by the people that we employ.
